

NATIONAL SPRING CLEAN

Marino Residents Association

Spring Clean of Marino Friday 8th of April

We are taking part again this year. We are delighted to say that the TY students of Ard Scoil Ris will yet again be helping us clean the streets and parks of Marino. We hope that you, the residents, will be able to help us accompany the students.

If you are willing to help, please meet us at

ARD SCOIL RIS, at 10.30am, on the Friday.

We will supply bags, which Dublin City Council will collect from the Carleton Hall.

If you cannot attend, please clean the street outside your own house on the day.

Marino is one of the loveliest estates in the country.
Please help us make it look its best.
